Spiritual Path Agreement

Spiritual Path of _____

In belonging to Berkeley Psychic Institute, I set forth on the following guidelines for myself:

- I am an associate member of the Church of Divine man and have paid my 20____ membership dues.
- I realize that churches operate on the goodwill of its members, and I would like to offer my time, talent and tithe as follows:
 - ❖ I offer my time as _____
 - ❖ I offer my talents as _____
 - ❖ I offer a monthly tithing pledge of _____

THE CREED OF THE CHURCH OF DIVINE MAN:

We of the Church believe in limitless space, timeless endurance, never ending acceptance, everlasting patience, and continuous comprehension. "What if a man gains the whole world and loses his own soul?" asks Jesus. To a mystic with eyes turned inward to infinity and cosmic consciousness, his words have great meaning. Psychic freedom creates no ideologies, no isms, no dissenting philosophies which divide, corrupt and destroy communication between human souls. No governments are upturned, no faiths cut down by the sword, no sects or types eliminated; only a one to one contact between the cosmic and a living soul, which flames quietly, bringing a lifetime of contentment and a realization that nothing in this world is worth exchanging for that attainment.

I have read and agree with the Creed of the Church of Divine Man. I am committed to myself and to reaching my goals and will be using the church as a catalyst to obtain these goals. I also agree to support my sanctuary by using psychic kindergarten tools, matching the energy, and honoring our agreement of 'be on time', 'no drugs' and 'psychic manners'. This is the spiritual agreement I make with myself and my church.
